## Network Login Process for Independent School District No. 1 Lewiston Idaho Workstations

Please perform the following steps to logon to District workstations:

1. Press the CTRL+ALT+DELETE keys simultaneously on the log on screen:

Press CTRL + ALT + DELETE to log on

2. Enter your *network credentials,* originally provided on your Network Account Information form:

3. Press Enter or click the Arrow button

Procedure complete

Note: Please change your password from the one provided on the Network Account Information form upon first login. You may do so by pressing CTRL+ALT+DELETE and selecting Change a password..., entering the current password and your new password twice (6 characters or more.) The same Network Account provides access to District email services. You may login to your District email at https://mail.lewistonschools.net/ using the same credentials.
