Hello parents,

Did you know? The Lewiston School District has adopted the Lunchbucks program, which is a way for parents and students to be able to see their lunch balance electronically, receive reminders when balance is low, and see what is purchased in the cafeteria. I know it will save me time as a busy parent! www.MySchoolBucks.com

Congratulations and THANK YOU to Camelot PTA! We had a very successful cookie dough drive this year! Funds help support our technology program.

Enjoy all the wonderful events in Fall!

Toys for Tots!

Camelot is helping State of Idaho Foster Care by holding a "Toys for Kids" Toy Drive. Donate a new toy for a boy or girl, ages 0 to 18 years. Starts November 1st and runs through November 20th. The classroom that donates the most wins a pizza party! Questions? Contact Cynthia at 748-3500.

News from the Library

Family Reading Week is November 12th through the 18th. The American Academy of Pediatrics has said, "Parents who spend time reading to their children create nurturing relationships, which is important for a child's cognitive, language and social-emotional development". What better reason is needed to celebrate the week!

We are very pleased to announce that the Lewiston School District has recently purchased a subscription for **Tumblebooks** which can be found on all of our school library websites and is available for use by our families. You can access them by going to lewistonschools.net and clicking on schools in the upper right hand corner. Find Camelot and click on Library. **Tumblebooks** consists of animated, talking picture books, story books, puzzles, games, audiobooks, and books in other languages that would be perfect to share with your child during Family Reading Week or at anytime throughout the year.

We encourage you to take advantage of this wonderful and fun educational resource provided by our school district.

We had a total of 70 Book Character Pumpkins that were brought into our Library this year for our competition. It was such a pleasure seeing the delighted faces of all those students participating and those getting to enjoy seeing the creativity of their fellow students and teachers. Each pumpkin was a treasure. We will definitely be making this an annual event.

Congratulations to our winners who all received Book Fair Bucks to spend at the December 6th fair. First place went to 6th Grade student Noah Rodgers, for his incredible giant tarantula. Second place was awarded to 1st Grade student, Luka Raykovich, for his Star Wars BB8 pumpkin. 3rd place was given to 1st grade student, Shelby White, for her Pig the Pug pumpkin. First Grade teacher Mrs. Chambers and Second Grade teacher Mrs. McLeod also earned some Book Fair Bucks for their Big Green Monster and Little Critter pumpkins.

Great job everyone!
