

Grade: 6

Week: April 13-17

READING – 30 Minutes Every Day

&

- Choose **TWO** different activities per day to complete.
- Check off each activity once you have completed it.

Math	Science	Writing	Specials
You finally get an allowance! You put \$2 away in January, \$4 away in February, \$8 away in March, and \$16 away in April and you followed this savings pattern through to December. How much money do you have in 12 months?	Research the pink supermoon. Why was it so significant last week? When will the next pink supermoon occur?	Make a WANTED poster using at least two metaphors. Include a picture. A metaphor is a figure of speech that is used to make a comparison between two things that aren't alike but do have something in common. Example: Life is a rollercoaster.	PE - Choose 1 or 2 per day. Spring into action: Do 30 Jumping Jacks Jog in place for 1 minute 3 times per day Do a wall sit 2 times per day for as long as you can Do arm circles 30 times forward and 30 times backwards Take a walk
Draw a 3inX3in square. Then, list every possible geometric name you could give it. For example: square, rectangle, etc. Next, calculate the area of your square. Finally, what if you could collapse	Design your own at-home science experiment using everyday household items. Begin with a question you want to answer. Write up a materials list and a step-by-step description of the procedure. Check-in with a parent	Read a short book, article, or watch a video of a current or past event. Retell the event from the perspective of a person who was there when the event happened. Be sure to include all the important parts of what occurred. You could	Band and Orchestra 6th Grade Band Things to try at home: Use your mouthpiece to sounds like: a fly, mosquito, airplane, snake and siren

<p>your square like a box? How would that affect the area--stays the same, increases, or decreases? Write a short explanation about your investigation.</p>	<p>for feedback on your proposed plan. Conduct your experiment and document what happens!</p>	<p>even make it into a story based on real life!</p>	<p>Then play through lines in your book that have whole notes and half notes.</p> <p>Send a picture or video to your band teacher!</p> <p>Orchestra</p> <ul style="list-style-type: none"> • Things to try at home: • Left hand - karate chop, cats claw and relax • Right hand - relax - see how relaxed your hand can be. • Marble Game - Roll the marble down the strings and see how many times you make it in the peg box. • Send a picture or video to your orchestra teacher!
<p>At the veterinarian's office, 4 out of every 5 pets were given a vaccine. If the vet saw 25 pets, how many vaccines were given? If each vaccine cost \$27.50, what is the total cost of all the vaccinations?</p>	<p>How do things glow in the dark? How deep does the ocean go? How old is the Earth? What is a black hole? How do germs get inside your body? How does hand sanitizer kill germs?</p>	<p>Write a poem about your favorite day of the year. You can make it an acrostic poem.</p> <p>C H R I S T M A S</p> <p>For each letter, use a word that describes why you think this is the</p>	<p>MUSIC</p> <p>Scavenger Hunt</p> <p>https://drive.google.com/file/d/1-1EWgdjkyW8z0pVDnmiptDmUtMZhqu1g/view?usp=sharing</p>

		<p>best day of the year.</p> <p>Or write a poem using rhyme. Explain in your poem why this day of the year is so important to you.</p>
