

Grade: 4th Grade
Week: April 13- April 17

READING – 30 Minutes Every Day

&

- Choose **TWO** activities per day to complete.
- Check off each activity once you have completed it.

Math	Science	Writing	Specials	Social Studies
Grocery Store Ads – use a grocery store ad to plan what you would buy if you had \$75 to spend.	Collect a variety of rocks. What types do you recognize? How do they feel? Can you identify the type of rock that they are?	Write a short story about a cat and dog being BFFs.	Lego/Block Creations – Create a lego piece and list steps someone would follow to create your design.	Check out this website: Historyforkids.net . Write a paragraph about your favorite history topic.
Candy Math- Grab a bag of colored candy and make a graph of the number of colors in each. What is the fraction of each color?	Play outside and just observe nature...journal and draw what you see, hear, touch, feel and smell.	Write a letter to someone in our community that works with the public thanking them for their service.	https://drive.google.com/file/d/1-1EWgdjkyW8z0pVDnmiptDmUtMZhqu1g/view?usp=sharing	Draw an illustration and write 3-5 facts about an important event in Idaho history, focusing on Native Americans.
Spend 20 minutes working on iStation Math.	Record the sunrise and sunset times. Calculate the elapsed time in between.	Be creative and write a graphic novel and illustrate.	Create an obstacle course in your backyard. See how fast you can complete it!	Write 10 interview questions and interview someone in your family about an important historical event.
