

# Grade: Kindergarten

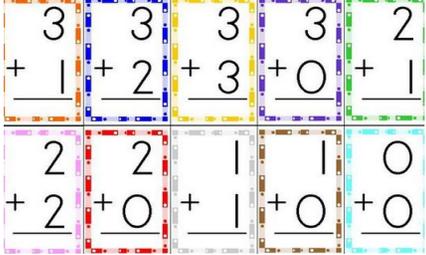

Week: April 13-17

## READING - 20 Minutes Every Day

Read aloud to your student and ask questions - What are you picturing when you read/hear this? What are you wondering about? What has happened so far? What do you think will happen? Why do you think he/she/it said or did that? Have your student read to a sibling, parent or stuffed animal. Have your student record himself/herself reading.

&

- Choose **TWO** activities per day to complete.
- Check off each activity once you have completed it.

Math	Science/Social	Writing	Specials
<p>Make addition flashcards up to 10.(see example) Practice adding numbers 0-10 using the flashcards.</p> 	<p>Take 2 ice cubes outside. Put one in the sun and one in the shade. Think about which one melted first and why. Draw a picture of each and label.</p>	<p>Answer the question below by rewriting the sentence and filling in the blanks.</p>	<p>Run and touch 5 different colored objects. Run and touch 5 different shaped objects.</p>
<p>Count any item in your home (cereal, buttons, crayons, rubber bands, matchbox cars, etc.) into 10 piles of 10. Count by 10's to 100.</p>	<p>Say the Pledge of Allegiance.</p>	<p>Make a book about your favorite animal. Make sure to include your animal's habitat in the book. Read your book to a parent or send a recording to your teacher.</p>	<p>Have a parent help you find one of these exercise videos on Youtube: Jack Hartmann "Count to 100" or Spiderman "Learn to Count to 100."</p>
<p>Count how many windows are in your home. Draw each window and write the number down on a piece of paper.</p>	<p>Do a chore to help in your household. Draw a picture of you doing the chore and write a sentence about it.</p>	<p>Draw a picture and write 3 sentences about something you did today.</p>	<p>Scavenger Hunt. <a href="https://drive.google.com/file/d/1kQ2_4mofd1UxIZBBpJjDo9TkfVJbDchb/view?usp=sharing">https://drive.google.com/file/d/1kQ2_4mofd1UxIZBBpJjDo9TkfVJbDchb/view?usp=sharing</a></p>
