

Kindergarten, Week: # 8 - May 18-May 22

- Choose **TWO** activities per day to complete.
- Check off each activity once you have completed it.

Read a book of choice each day.

READING: *Recommended: 20 Minutes*
OR

Work on iStation Reading each day.

Math	Science/Social Studies	Writing	PE	Music
<p>Using your best handwriting, write your numbers 1-20. Draw a picture or use objects (ex. cereal, buttons, crayons, rubber bands, matchbox cars, etc.) to represent each number.</p> <p>*Challenge: Write the number word for each numeral.</p> 	<p>Take a walk and observe the world around you. What did you notice? What do you wonder?</p> 	<p>Handwriting Practice!</p> <p>Write all of the upper case and lowercase letters in the alphabet using your best handwriting.</p> 	<p>Try one each day!</p> <p>Place your stuffed animals around on the floor. Hop over each one. Gallop around each one. Skip around each one.</p> <p>Have an adult blow up a balloon. Hit it 10X counting aloud. Hit it with each hand, each knee, foot, head, elbow, hit it high... Put it between your knees and race someone.</p> <p>Play hide and seek</p>	<p>Choice 1</p> <p>What was your favorite thing you did in music this year? Please send a drawing, picture or video telling your teacher what your favorite activity was.</p>

Show 3 more ways to make 9.

$1 + 8 = 9$

$_ + _ = 9$

$_ + _ = 9$

$_ + _ = 9$

*Challenge: Find 6 more ways to make 9.

Think back to when we learned about wants and needs. Wants are things we would LIKE to have. Needs are things we MUST have to survive.

Make a list of 5 wants and 5 needs for your family.

Complete this sentence:

I feel _____
for first grade
because _____.

Make a sock ball and practice tossing it up and catching it with both hands or one hand.

Kick a ball or play catch with a family member.

Play a tag game you learned at school.

Skip, hop or gallop to the mailbox. No mailbox, pick something else.

Have a parent show you a youtube challenge:

<https://www.youtube.com/watch?v=AZd8oJv6LIM>

<https://www.youtube.com/watch?v=kwyPDzDRCSA>

Choice 2

Listen to the Lion from Carnival of the Animals and follow the directions described in the activity. Share your listening map with your teacher.

[Carnival of the Animals: The Lion](#)

Draw a picture and write a number sentence to solve each story problem.

There were 2 ladybugs on a leaf. Each ladybug had 5 spots. How many spots were there altogether?

There were 7 butterflies in a field. Each butterfly has 2 wings. If 3 butterflies flew away, how many butterfly wings would there be left in the field?

*Challenge: Choose your favorite bug and write a story problem like the butterflies. Remember to include adding and subtracting. Write a number sentence and draw a picture to go with your story problem.

Animals need food to survive. Think of a pet you have or would like to have.

On the top of a paper show what the pet would eat at your house. On the bottom half, draw what you think the pet would eat if they lived in the wild?

(Don't forget to label your diagrams.)

Write a story about your favorite parts of kindergarten.

My favorite part of kindergarten was _____.
