Summer Reading Program 2022

Oceans of Possibilities

June 6 - July 22

The Summer Reading Program (SRP) at the Lewiston City Library is an annual program that is intended to keep children, tweens, teens, and adults engaged in reading over the summer months. Research shows this is important for everyone in our community, especially children! Don't let your reading skills slip and slide over the summer months, sign-up for our Summer Reading Program! Each week participants record, rate, and describe one book or a chapter from a book they are reading on their Summer Reading Stamp Card. Cards can be brought to the library weekly and will be stamped. Participants will receive a fun weekly prize and each week a ticket goes in for the grand prize drawing that is held at the conclusion of the program (July 28th). There are some great programs planned for all ages (adults too)!

Rec Mobile

The Primary goal of Rec Mobile is to introduce youth to recreational activities that are fun, challenging and encourage them to "Get out and Play" now and for their entire lives. Rec Mobile is intended to help alleviate the accessibility issue and provide safe, supervised activities near to home. Activities will include dozens of recreation games that will be played at several sites across Lewiston and Clarkston.

> When the air quality is poor or the temperature exceeds 100 degrees, Rec Mobile will be located at Fenton Gym or Jenifer Middle School during regularly scheduled times (below). If this occurs, staff will post notices to the Lewiston Parks and Recreation <u>Facebook page</u>.
