

Camelot Cold Weather Guidelines

1. Students will be outside unless the temperature drops to below 20 degrees or is unsafe due to other weather issues.
2. Students are encouraged to dress appropriately for cold weather*. This includes:
 - a. Coats
 - b. Hats
 - c. Gloves
 - d. Snow Pants
 - e. Boots

**If students are not dressed appropriately for the weather they may be cold or be wet. Please dress your child accordingly since it is not always feasible to call home or for you to come to school for wet clothing. If you need warm clothing for your child, please let us know.*

3. No sliding when snowy or icy on the playground, including the castle. Some areas (such as hills, slopes or castle) are off limits in the snow.
4. Please leave snow creations made by other children alone.
5. Snow activities/games are in **DESIGNATED AREAS ONLY WHEN FEASIBLE AND SUPERVISED BY AN ADULT.**
6. Please remember to only drop your child off in the parking lot. Stopping in bus zones is always a hazard for our students.
7. Be a REAL Knight in the snow. Show Respect, Effort, Attitude and Leadership by being kind to others, sharing the snow, and having fun.
