**Dress Code Policy**

With the weather getting warmer, please be reminded that dress and appearance must not present health or safety problems or pose potential disruption of the educational process as adjudged by school personnel. When a student’s attire is found to be in violation of this policy, the student may be required to modify his/her attire in such a manner so that it no longer violates this policy.

1. Hats may not be worn in the school building. The principal may make exceptions for “Hat Days” and for medical or religious reasons.
2. Clothes, apparel, or attire must be sufficient to conceal undergarments at all times. **Clothing must provide adequate coverage of the body e.g., revealing tank tops, crop tops, and spaghetti straps should not be worn at school. Skirts and shorts must be at least mid-thigh in length.**
3. The dress code will be in effect during all school related activities – both on and off campus. This includes riding the bus, field trips, athletic events, music events, etc.

**Parents: A friendly reminder –**

As we approach the end of the school year please check the balance of your child’s meal account. Meal accounts must be paid in full by the last day of the school year. If your child has excess funds on his/her account, the funds will transfer over to the new school year. You can check your student’s meal balance at any time by visiting the website [www.MySchoolBucks.com](http://www.MySchoolBucks.com) or contact the school office. Payment can be made with cash, check, or on-line.

Our school BBQ is Friday, May 4th. If you plan on joining us, please send back the yellow RSVP form so the cooks can prepare enough food. Thank you!
