Parent Survey

Each year we are required by the state to have students, staff, and parents complete engagement surveys.

Please take 5 minutes to complete our school survey. You will need to use the drop-down menu and select our specific school rather than the district.

The state engagement survey window is open until March 31st.

Thank you so much for your feedback and support. It is a great day to be a Ram!

Kindergarten Registration 2024

Please visit our website at: www.lewistonschools.net and click on the Kindergarten Enrollment Link.

ESSENTIAL INFORMATION PLEASE READ:

A child must be five years old on or before September 1, 2024 to enroll for kindergarten. The following documents are required for enrollment:

- A. The child's original birth certificate from the child's birth state or the eligibility to obtain one within *thirty (30)* days. **Copies of birth certificates are not accepted.**
- B. Proof of Residency. Documentation showing the name of parent(s)/guardian(s) and physical

home address. **Examples: Utility Bill, Rental/Lease/Home Agreement, Cable Bill, City of Lewiston property tax assessment notice, homeowners/renters insurance.**

- C. An up-to-date copy of the child's immunization record reflecting the following: 5 DTaP, 4 Polio, 3 Hepatitis B, 2 MMR, 2 Varicella (Chickenpox), 2 Hepatitis A

SCHOOL PLACEMENT:

The district strives to place students at the school in their home attendance area. If the home attendance area is full in that grade, the student will then be placed at a different school with lower enrollment numbers and be placed on a

waitlist to their attending school. Parents will receive a letter notifying them on the school placement of their kindergartener by the end of April.

SPECIAL NOTICE—Parents who will be enrolling a kindergarten student who have an older sibling (s) attending an elementary school in Lewiston are encouraged to enroll for kindergarten during registration in March. Failure to do so could result in our inability to enroll your kindergarten child in the same elementary school as your other children. Please call Delilah Glenn in Student Services (208-748-3032) if you have any questions.

Courage

The character trait for March is Courage.

Together with your child, create a list of things you are afraid to try. Hang this list in a visible place and cross them off when you have accomplished them. Everyone in the family can have things on this list. A great way to teach children that courage knows no age!

Here are some discussion points to help you talk about courage with your child:

*What do you think courage means and why is it important?

*Tell me about a time that you did something you were afraid to do. How did you feel after?

*What keeps you from being courageous sometimes?

*Is there anyway that I can help you be more courageous?

*Who is the most courageous person you know?

Read About It!

Here are some books to help you learn more about courage.

2. Oh Yeah! By Tom Birdseye
3. Courage by Bernard Waber
