

# Change Default App

1. Open Settings

2. Open Apps

Default apps **Choice B**

Choose default apps

- Email: Outlook 2016
- Maps: Choose a default
- Music player: VLC media player
- Photo viewer: Windows Photo Viewer
- Video player: VLC media player
- Web browser: Firefox

3. Select Default apps on the left. It will bring you to a list of programs that are used by default with certain file types. Select the program you want to use with those files. Any combination of these two choices will work.
