

DIRECTORY INFORMATION DISCLOSURE

Independent School District No. 1, Lewiston, may disclose "directory information" from the education record without prior parental consent after giving notice of its intention to do so. "Directory information" is information in a student's education records that is not generally considered harmful, and its release is not considered an invasion of the student's privacy. A critical distinction exists between directory information and all other information present in school files. Independent School District No. 1 may determine how much directory information from education records will be disclosed. Directory information includes, but is not limited to, the following data about the student:

1. student's name,
2. address,
3. date and place of birth,
4. telephone number,
5. participation in officially recognized activities and sports,
6. weight and height as a member of an athletic team,
7. class designation,
8. dates (but not a day-to-day record) of enrollment,
9. diploma and awards received,
10. school or school district where the student was previously in attendance,
11. official activities,
12. photographs or video productions of students used by the District for recognition of student achievement and community relations, including, but not limited to, publications in the District's or school's newsletters, in the school setting and on the District's or school's website.

This District shall provide, on the request made by military recruiters or an institution of higher education, access to secondary school students' names, addresses, and telephone listings unless a parent or secondary student requests, in writing, that the

student's name, address, and telephone listing not be released without prior written parental consent.

This District may disclose directory information about former students without notice.

Independent School District No. 1 considers these items to be directory information. In most instances, disclosure is helpful to both the institution and the student. In addition, two (2) federal laws require Independent School District No. 1 to provide military recruiters, upon request, with three (3) directory information categories: names, addresses and telephone listings.

Parents can, however, retain the right to consent to the disclosure of directory information. Parents who wish to retain this right must so advise the District by sending a written notice to:
