ARTICLE IV

LEAVES

All leave allowance will be determined in proportion to the professional employee's contracted Full Time Equivalency (FTE).

4.1 Sick Leave

1. Professional Employees will be allowed sick leave for personal or for family illness at a rate of twelve (12) days per year.
2. Professional Employees may accumulate an unlimited number of sick leave days.
3. To better assist Professional Employees in addressing health concerns causing a short-term absence of 75 minutes or less, the employee may provide for coverage of class and assigned duties through collaboration with other appropriate certificated staff members. No sick leave will be deducted if a substitute is not called to cover any part of the short-term absence.
4. Any claim for lost time because of personal illness or family illness shall be approved by the building principal and a doctor's certificate may be required at the option of the District.
5. Up to ten (10) weeks of accumulated sick leave may be used from the date of birth of a child for the recovery of the mother. Sick leave in excess of six (10) weeks will require a doctor's certificate.
6. Up to ten (10) weeks of accumulated sick leave may be used for the adoption of a child. The ten (10) weeks must be taken within twelve (12) consecutive weeks from the first day of granted leave.
7. An employee shall be entitled to a total of twelve (12) weeks unpaid leave because of the birth of a child of the employee, in order to care for the child, or because of the placement of a child for adoption or foster care.

4.2 Sick Leave Bank

1. Each Professional Employee of the District covered by the contract with the Association may participate in the Sick Leave Bank. To begin participation in any school year, a Professional Employee shall, prior to September 15, or within fifteen (15) days after signing a contract if not an employee by September 15 (hereafter described as "enrollment period"), contribute two (2) sick leave days. Each time the Sick Leave Bank falls below one hundred eighty (180) days, every participating member shall be assessed one (1) additional sick leave day. Sick leave days thus contributed shall be deducted from the individual's accumulated sick leave. The contributed sick leave days shall form a bank of sick leave days which will be available to all participating Professional Employees for absence from work necessitated by prolonged or recurring illness of the Professional Employee extending beyond the employee's available leave, as set out below. Eligible employees electing not to join during the initial enrollment period must wait until the enrollment period of the following year.
2. A Committee, including three (3) Professional Employees selected by the LEA and

three (3) administrators selected by the Superintendent, establish such procedures necessary to implement and operate the Sick Leave Bank.

3. Application for use of the Sick Leave Bank shall be submitted to the Committee, which shall review the request and determine the eligibility of the Professional Employee. Proof of illness may be required at the time of application and from time to time after a grant has been made.
4. To be eligible for sick leave benefits from the Sick Leave Bank, the Professional Employee must:
 - (1) be a current Sick Leave Bank member and contributor to the Sick Leave Bank,
 - (2) have been absent from work due to accident or illness of the Professional Employee,
 - (3) have used all his/her accumulated sick leave days and personal leave days, and
 - (4) had two (2) days after exhaustion of accumulated sick leave and personal leave where his/her salary was reduced in full.

Application must be on the form provided in the Appendix within fifteen (15) days of the depletion of sick leave. After complete review of the application, the Committee shall have the authority within the procedures to make final decisions as to the disposition of the case. The decision of the Committee will be implemented contingent upon compliance with the law. Notification of the decision will be given to the Professional Employee, in writing, within a timely manner from the date of application. If the employee is incapacitated to such an extent that he/she cannot personally apply for a grant, the employee's immediate supervisor, next of kin, or representative may apply for the employee.

5. The maximum number of days which may be granted in any one (1) school year will be either the remaining number of days a Professional Employee is scheduled to work or the number of days until the employee becomes eligible for long-term disability insurance payments, whichever is smaller. Any Professional Employee requesting days from the Sick Leave Bank must apply for disability benefits when eligible as defined by the qualifying period. No days, or partial days, will be granted to the Professional Employee from the Sick Leave Bank for any days for which the Professional Employee receives disability payments. Determination of disability benefits will be the responsibility of the insurance carrier. An employee shall not receive more than his/her contracted salary for that year.
6. Within any five (5) year period, the number of days granted to a Professional Employee from the Sick Leave Bank will not exceed one hundred ninety (190) days.
7. Sick Leave Bank grants will terminate at the end of the school year. If a Professional Employee does not use all of the days granted by the Sick Leave Bank, the unused sick leave days will be returned to the Sick Leave Bank. A Sick Leave Bank member may withdraw his/her membership, at any time, by submitting a written request to the Committee. A member may not withdraw those days of sick leave already contributed to the Sick Leave Bank. The days remain the property of the Sick Leave Bank and cannot be transferred if a Professional Employee leaves the District or chooses to drop membership in the Sick Leave Bank.

4.3 Bereavement Leave

Professional Employees will be allowed bereavement leave for the following reasons:

1. Up to five (5) days leave per occurrence with full pay will be allowed when there is a death in the family.
2. One (1) day leave per year with full pay will be allowed for a Professional Employee to attend a memorial service in the case of the death of a close friend.
3. Bereavement leave must be used within ten (10) days of a death within the family, except in special circumstances with prior written authorization by the Superintendent or his/her designee.

4.4 Parent Leave

The parent of a newborn or adopted child may take three (3) days leave within ten (10) days of the birth or reception of the adopted child. Parent leave applies only to Professional Employees who have accumulated less than forty-eight (48) days of sick leave on the first day of contracted work (see Sick Leave 4.1.5 and 4.1.6 for additional information).

4.5 Civic Duty Leave

1. Professional Employees called for jury duty shall be paid full salary minus compensation paid jurors.
2. When subpoenaed as a witness as a result of employees' professional duties to the District and/or civic responsibility, prior written authorization from the Superintendent or his/her designee will be required. Full salary will be paid minus compensation paid for witnesses.

4.6 Personal Leave

1. Professional Employees will be allowed two (2) days personal leave per year cumulative to a maximum of five (5) days.
 - a. When available personal leave has been exhausted, a Professional Employee may buy up to two (2) personal leave day(s) at a cost of 1.75 times the substitute rate.
2. Any unused personal leave days, when the maximum days have been accumulated, will be paid at the substitute rate to the employee in their July paycheck.
3. Requests for personal leave on school improvement days shall be subject to the approval of the building administrator or the immediate supervisor. Personal leave will not be granted on days scheduled for parent teacher conferences.
4. Personal Leave may not be taken if a substitute cannot be found. No more than ten percent (10%) or no more than three (3), whichever is greater, of the Staff in any one building may be absent at any one time for this purpose. The building administrator or immediate supervisor must be notified at least two (2) working days in advance of the day to be taken as a personal leave, except in emergency situations.

4.7 Professional Leave

Leave with full pay may be allowed by the Superintendent or his/her designee to Professional Employees:

1. To attend state, regional, or national educational or professional meetings or workshops.
2. For a visitation day under the direction of the building principal.
3. To take comprehensive examinations for advanced degree. Limited to one day per year.

Prior written authorization is required.

4.8 Association Leave

1. The Association President or designee may be granted the equivalent of 22 days per year release time for the purpose of attending to state and local Association business. If, in extenuating circumstances, the total number of days used exceeds 22, the approval of the Superintendent is required. This leave is not to be used to interrupt the regular teaching day of the faculty.
2. Five (5) days prior arrangement must be made, when possible, with the building principal or immediate supervisor who must be able to employ a substitute before the leave is granted.
3. Request for leave shall be made by completing a [Request for Association Leave](#) (Page 32 of *Agreement*). Association Leave within the allowable days shall be approved by the Association President. Copies of the request shall be sent to the building principal, business manager and superintendent.
4. In years when the Association has a member, or members, serving on the IEA Board or a state committee, arrangements shall be made with the Superintendent for the scheduled meeting dates. These dates shall not be deducted from Association Leave.
5. The Association will reimburse the District for the full cost of the substitute.
6. The Association President shall be granted release time from his/her regular duty assignment without loss of pay or benefits for half or full time. The Association shall reimburse the District for the pay and benefits. The amount of release time shall be a decision of the Association yearly not later than the first Monday in June of the school year preceding the leave.

4.9 Additional Leave Regulations

1. When applicable leave has been exhausted, the District may allow Professional Employees the difference between their salary and that paid the substitutes for:
 - a. Emergencies and special cases not hereto defined. This provision shall be equitably applied.

- b. Ordinarily the limit shall be five (5) days unless the employee is a state legislator, in which case this allowance will be extended for the term of the legislative session.
- 2. Should a Professional Employee be absent beyond the time allowed for defined (4.1-4.8) leave or for reasons not provided by leave, an amount equal to 1/190th of the annual salary shall be deducted for each day's absence.

ARTICLE VIII
GRIEVANCE PROCEDURE

8.1 Definition of Terms

In addition to the definitions in Article I of the Agreement, the following terms will have the meanings as designated:

"Grievance" is any complaint by a person represented by the Association that there has been a violation or inequitable application on contract provisions, or that there has been an event or condition which adversely affects the welfare and terms or conditions of work of an employee or group of employees.

"Group Grievance" is when two or more persons make a common claim of a Grievance.

"Days" shall be calendar school days except in summer when they shall be weekdays excluding national holidays.

"Grievant" is a person or group claiming a Grievance.

"Parties of Interest" are the Grievant and/or any person who might be required to take action, or against whom action might be taken, in order to resolve the claim.

8.2 Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the Grievances which may come over the interpretation of the Agreement or Rules and Regulations concerning salary, benefits and working conditions.
2. Both Parties agree that not over ten (10) Grievances may be under consideration at any one time in Step II. If ten (10) Grievances are in Step II, time constraints from Step I will not apply. As a Grievance leaves Step II, Step I Grievances will be advanced to Step II in their order of filing.
3. Both Parties recognize the right of the individual to try less formal procedures available to settle problems.
4. No reprisals against grievant or representative will be taken by the Board or administration.

8.3 Representation

1. A Grievant may have a representative present who shall be a regularly contracted employee of the District at any step of the procedure. At Step I, the representative must be another contracted Professional Employee assigned to the same building unless none is available. Itinerant Personnel shall file the grievance at the building where the alleged grievance transpired, and may choose either a representative from the building or another Itinerant staff member. The representative shall not act as a sole spokesperson.
2. The Executive Committee of the Association is to be informed of all written Grievances, may send a representative member of that Committee to Grievance Hearings, and may file Grievances on behalf of the Association.

3. In Step III, the Grievant, or others, may be represented by counsel as they desire and have witnesses and testimonials from others including, but not limited to, the Parties to the Agreement.

8.4 Conditions

1. The fact that a Grievance is accepted for processing under these procedures does not in itself constitute recognition by the Board that the Grievance is either valid or legitimate.
2. At any time that the Grievant does not meet the time limitations or agrees that the Grievance is either not legitimate or not valid, the Grievance will be waived and neither Party to the Agreement will pursue it in any manner whatsoever.
3. All time limits shall be in days as defined. The number of days indicated at each level are considered maximums. There shall be no obligation by either Party to consider any Grievance not filed as prescribed by the procedures and in a timely manner. They may be extended by mutual agreement in writing.

8.5 Procedures

STEP I:

1. Within twenty (20) days of the alleged Grievance, or when the Grievant had knowledge of it, the Grievant shall attempt to resolve it with the building principal or immediate supervisor and any administrator involved above the building level. If it involves only an administrator above the building level, the Grievant shall attempt to resolve it with that administrator.
2. If the Grievance is not solved satisfactorily through discussion, a written Grievance may be filed with the building principal or immediate supervisor, and any administrator above the building level if involved. At this time, the Grievance must be reduced to writing and it must include
 - a. The nature of the Grievance.
 - b. The article, section and item of either the Agreement or Rules and Regulations or the contract that the Grievant claims has been incorrectly or improperly interpreted or inequitably applied, and/or the event or condition that adversely affects the welfare and terms or conditions of work.
 - c. A statement of how the interpretation has adversely affected the Grievant.
 - d. The name of the person(s) against whom the Grievance is claimed.
 - e. The name of the person(s) claiming the Grievance.
 - f. The relief sought.
3. Copies of the above will be presented to the Executive Committee of the Association and the Superintendent.
4. Within ten (10) days of receiving the written Grievance, the building principal or immediate supervisor, and any administrator above the building level if involved, will give written notice of the decision including reasons for that decision.
 4. The Grievant shall communicate to the building principal or immediate supervisor whether the written decision of that individual is satisfactory or not, within ten (10) days after receiving the written decision.

8.5 Procedures (Continued)

STEP II:

1. If the Grievant is not satisfied with the decision at Step I, the written Grievance is to be filed within ten (10) days with the Superintendent and with the Executive Committee of the Association.
2. Within ten (10) days after receiving the written Grievance, the Executive Committee of the Association will inform the Superintendent and the Grievant if the Association will support the Grievance.
3. Within fifteen (15) days of receiving the Grievance, the Superintendent will meet with the Grievant and a representative of the Association in an effort to resolve the Grievance.
4. Within ten (10) days, the Superintendent will give written notice of the decision along with reasons. This written notice will be sent to all Parties of Interest.

STEP III:

1. If the Grievant is not satisfied with the decision of the Superintendent, he/she will have ten (10) days after Step II to request that it be filed with the Board.
2. Within fifteen (15) days of receiving a Grievance, the Board will conduct an informal hearing. The hearing will be in an open session unless the Grievant or the party grieved against requests otherwise; then it shall be in an executive session.
3. The Board will render a decision within ten (10) days of the hearing. That decision will be put in writing and sent to all Parties of Interest.

8.6 Grievance Investigation

The Board, the Administration, and the Association shall cooperate in the investigation of any Grievance.

8.7 Withdrawal of Grievance

A Grievance may be withdrawn at any level without establishing precedent.

8.8 Grievance Files

All documents, communications, and records dealing with the processing of a Grievance shall be confidential and filed separately from the personnel files of the participants.

ARTICLE IX TRANSFER

9.1 Transfers

The assignment of Professional Employees is made each year based student enrollment, course requirements and certification of staff, making this a complex process. The following sequential procedures allow for the Professional Employee to be informed and provide opportunity for the Professional Employee to express interest in being considered for positions within the District. Vacancies created by approval of Level II transfer requests will not be open for either Level II Transfer or internal applicants.

Step 1: Notification of retirements, leaves of absence and resignations

It will be the responsibility of the Superintendent or designee to notify all Professional Employees by intra-district email and by posting in each building any action of the Board of Directors relative to resignations, retirements, and leaves of absence following Board meetings where such action occurred.

Step 2: Reassignment Within the Same School

A Professional employee must notify the current administrator of his/her interest in being considered for a reassignment to a new grade level, class or course within the school.

The administration shall have the sole discretion to make reassignments.

Step 3: Level I Transfer

A Level I Transfer is an assignment to a new grade level, class or course prior to an internal vacancy being declared by the Superintendent. A Professional employee must hold a 0.5 FTE contract or greater to be eligible for a Level I transfer.

A Professional Employee must complete *the Level I Transfer Request to Another School* form found on the District's website at www.lewistonschools.net/human-resources and respond to the questions regarding his/her qualifications and interest in the position(s) prior to March 15. Professional employees filing a *Level I Transfer Request to Another School* shall receive a written acknowledgement of that request.

Administrators will provide information to Professional Employees regarding grade level sections, classes or courses planned for the next school year as soon as final decisions are made.

The administration shall have the sole discretion to approve or deny a Level I Transfer request.

Notice of acceptance or denial of a Level I Transfer request shall be made within two (2) days of the decision. Written notice shall be mailed to the professional employee's home residence.

The district-wide Level I Transfer Pool will be purged on August 15 of each year.

Step 4: An internal vacancy is declared

All Level I Transfer requests will be reviewed prior to an internal vacancy being declared by the Superintendent.

An internal vacancy will announce the specific position in a grade level or course(s) and the building where the opening exists. All internal vacancies shall be dated and posted within five (5) days of the declaration. Postings shall be made in each building, through intra-district email, in the Central Services Office. Once posted, a vacancy is open for Level II transfer for a period of five (5) business days. Decisions shall be made within 15 business days of the Level II closure.

Step 5: Level II Transfer

Qualified Professional Employees may file a written request to be considered for a Level II Transfer to the advertised position. The form is located on the District website at <http://www.lewistonschools.net/human-resources/> and includes questions regarding qualifications and interests in the position.

Any Professional Employee filing a request for a Level II Transfer shall receive a written acknowledgement of that request from Human Resources.

Professional Employees interested in being considered for a Level II Transfer, may request an informal meeting concerning an internal vacancy through the building administrator. Professional Employees filing a Level II Transfer request will be considered for the internal vacancy regardless of participation in an informal meeting.

Consideration for a Level II Transfer will be given to certification, experience, training, certified background, additional endorsements, and other relevant factors.

The administration shall have the sole discretion to approve or deny all Level II Transfer requests.

Notice of acceptance or denial of a Level II Transfer request shall be made within two (2) days of the decision. Written notice shall be mailed to the employee's home residence.

Step 6: Consideration for a Level II Transfer after June 1

Professional Employees will continue to receive notification of personnel action by the Board of Directors following each meeting in June and July through District email only. A Professional employee who is interested in being considered for an opening based on Board action shall complete a Level II Transfer Request form within three (3) days of the email being sent.

Level II Transfer Requests shall only be considered through July 31 of each year and only available based on personnel action by the Board of Directors.

Step 7: External Notice of Vacancies

External notice of vacancies shall be at the discretion of the administration.

Step 8: Involuntary Transfer

An involuntary transfer occurs when a Professional Employee is assigned to a new building by the administration and not at the request of the employee. No Professional Employee shall be involuntarily transferred more than one (1) time in any two (2) years. Involuntary transfers shall be made with advance notice and discussion with the teacher involved.

Involuntary transfer shall be based on needs related to scheduling, enrollment and certification.

ARTICLE X

PROFESSIONAL DEVELOPMENT REIMBURSEMENT FOR CREDIT

10.1 Reimbursement for Costs

The District will reimburse each Professional Employee for up to three (3) semester credits each calendar year in which the course was completed. The Professional Employee must present a receipt and proof of completion of the course for reimbursement. The reimbursement shall be for the tuition only. The maximum allowance shall be whatever is currently charged by the University of Idaho or the actual cost, whichever is the lesser.

In cases where the Professional Employee is enrolled in a summer program, only that proportional cost per credit, again not exceeding that charged by the University of Idaho, shall be allowed. In cases where the Professional Employee gains credit where the tuition and fees are paid by some other agency through scholarship or fellowship, including institutes, no reimbursement will be made.

This is a summary only. Should you have more specific questions, please contact your employer, or in some instances, your tax advisor.

2. GENERAL INFORMATION

- * You may allocate specified amounts of monthly salary or wages for the reimbursement of medical care expenses or dependent day-care expenses, or both.
- * You may file a claim voucher for reimbursement of the eligible medical care or dependent day-care expenses which you have incurred.
- * No reimbursements will be made until the first account deposit is received from your employer.

3. IMPORTANT RESTRICTIONS

- * You must elect to participate prior to the beginning of each plan year. There is no allowance for late enrollment.
- * The amount which you designate for medical reimbursement may not subsequently be used for reimbursement of dependent day-care expenses and vice versa.
- * If you do not file sufficient claims for reimbursement, you will lose the unused amounts. This is often referred to as the “use it or lose it” rule.
- * During an unpaid leave of absence, contributions to the unreimbursed medical account must be made on an after tax basis just like any insurance premiums. When the employee returns to work, the pre-tax contribution will resume.

4. ELECTION CHANGES

- * A Section 125 Plan provides that participant elections are irrevocable for the period of coverage (the plan year), except for a change in family status which affects your need for an elected benefit. Examples of a change in family status include marriage, divorce or legal separation, death of a spouse or child, birth or adoption of a child, or change in employment status of you or your spouse. Election changes for any of the above reasons are permitted for the dependent day-care account; however, **no changes are permitted for the medical expense reimbursement account for any reason except for termination of employment.** Contact your employer for special rules affecting your plan.

5. **OPTIONS AT EMPLOYMENT TERMINATION**

- * Upon termination of employment, you may elect to discontinue or to continue the medical expense reimbursement account payment on an after-tax basis (COBRA). If you elect to continue the contribution on an after-tax basis, the coverage under the medical expense account will continue until the premium ceases. Expenses incurred during the period of coverage will be reimbursed.

If you do not elect to continue the payments on an after-tax basis, only expenses incurred during the period of coverage will be reimbursed. Coverage under the reimbursement account ceases when the payments cease.

6. **CLAIM FOR REIMBURSEMENT**

- * The medical expense reimbursement check will be for the expenses claimed up to the maximum benefit amount you elected for the year. The dependent day-care expense check will be for expenses you claimed up to the amount you have in your account. If the dependent day-care expense claim is in excess of your account balance, the balance of the amount due will be forwarded to you as additional payments are received.
- * You may only be reimbursed for expenses which you incur during the plan year. However, you may submit your claim for reimbursement as late as 60 days after the end of the plan year during which you incurred your expenses.
- * All voucher forms must be accompanied by the statement you received when the service was provided or an insurance company Statement of Benefits which has been provided by an independent third party. Only expenses properly verified by the independent third party will be reimbursed. Dependent day-care claims must be accompanied by a Dependent Day Care Provider Acknowledgment form which includes the provider's tax identification number or Social Security number.

7. **MEDICAL EXPENSE REIMBURSEMENT ACCOUNT**

- * Maximum amount that may be contributed to the plan is \$2,500 per year.
- * Your medical expense reimbursement account may be used to reimburse you for expenses incurred for treatment of yourself, your spouse, and your eligible dependents.
- * Eligible medical expenses include deductible and coinsurance amounts under a group health plan, charges which are in excess of the amount reimbursed under a group health plan, and charges which are not covered by a group health plan such as certain corrective surgery, vision care, dental care and hearing aids. See the following list of expenses eligible for reimbursement.

- * Child support payments and child care payments qualifying as alimony are not qualified expenses for reimbursement.

11. WORK REQUIREMENT

- * Work may include actively looking for work.
- * Unpaid volunteer work or volunteer work for a nominal salary does not qualify.

12. ELIGIBLE DEPENDENT DAY-CARE EXPENSES

- * You may allocate up to \$5,000 per tax year for reimbursement of dependent day-care expenses (\$2,500 if you are married and file a separate return).
- * The services of a housekeeper, maid or cook are usually considered necessary to run your home if performed in connection with care of the qualifying dependent.
- * Dependent day-care center expenses are eligible if the care is for your dependent under age 13 or for any other qualifying dependent who regularly spends at least 8 hours each day in your household.
- * A dependent day-care center or an individual providing dependent day care must comply with all federal, state and local regulations, if applicable.
- * A dependent day-care center is a place which provides care for more than six persons (other than persons who live there) and receives a fee, payment, or grant for providing services for any of those persons, regardless of whether the center is run for profit.
- * The cost of getting a qualifying dependent to and from your home and the care location is not an eligible expense.

13. QUALIFYING DEPENDENT

- * A qualifying dependent lives in your home and is
 1. Your dependent under age 13 for whom you may claim an exemption deduction (See below--Child of Divorced or Separated Parents), or
 2. Your dependent who is physically or mentally not able to care for himself/herself and spends at least 8 hours in your home daily, or
 3. Your spouse who is physically or mentally not able to care for himself/herself, and spends at least 8 hours in your home daily.
- * Persons who are not able to dress, clean, or feed themselves, or because of physical or mental problems are not able to care for themselves.

14. CHILD OF DIVORCED OR SEPARATED PARENTS

- * If you are divorced or separated, your child or stepchild qualifies if he/she:
 1. Was under age 13 at the time the care was provided or not able to care for himself/herself, and
 2. You must be the custodial parent and the child must live in your home.

15. PAYMENTS TO RELATIVES

- * Eligible dependent day-care expenses do not include payment to a person you may claim as a dependent for federal income tax purpose.
- * Payments to your child are not eligible expenses unless your child was age 19 or over by the end of the year.

16. EARNED INCOME LIMIT

- * Your eligible expenses during a calendar year may not be more than:
 1. Your earned income for the year, if you are single at the end of the calendar year, or
 2. The smaller of your earned income or your spouse's earned income for the year, if you are married at the end of the calendar year.

17. STUDENT SPOUSE OR DISABLED SPOUSE

- * If you are married and, for any month, your spouse is either a full-time student or not able to care for himself/herself, your spouse will be considered to have earned income of \$200 a month if there is one qualifying dependent in your home, or \$400 a month if there are two or more qualifying dependents in your home.
- * Your spouse is considered to have worked if:
 1. He/she was a full-time student during each of five (5) months during the calendar year, or
 2. He/she was physically or mentally not able to care for himself/herself.
- * A full-time student is one who is enrolled at a school during each of five (5) calendar months of the calendar year, not necessarily consecutive, for the number of hours considered to be a full-time course of study.

18. TAX CREDIT ALTERNATIVE

- * You should be aware that you may be able to take a federal tax credit of up to 30% of the amount you pay for dependent day-care expenses instead of participating in the dependent day-care expense reimbursement account.
- * You may use up to \$2,400 of dependent day-care expenses to figure your credit if you have one qualifying dependent and up to \$4,800 if you have two or more qualifying dependents.
- * Your credit can be as much as \$720 if you have one qualifying dependent or as much as \$1,440 if you have two or more qualifying dependents.
- * The tax credit is a direct reduction of the tax you owe to the federal government, unlike the income exclusion of participating in the dependent day-care reimbursement account. Many states also provide a state tax credit for dependent day-care expenses.
- * You should consult with your tax advisor as to whether the tax credit may be more favorable for you than participating in the dependent day-care expense reimbursement account. You may also wish to obtain IRS Publication 503 for more information about the federal tax credit.

19. IMPORTANT TAX INFORMATION

- * Regardless of whether you participate in the dependent day-care plan under Section 125 or claim the credit on your income tax, you **must** provide the IRS with the name, address and taxpayer identification number (TIN) of your dependent day care provider(s) by completing Schedule 2 of Form 1040A or Form 2441 and attaching it to your annual income tax return.
- * These requirements are subject to change by the IRS. Be sure to follow the current instructions given by the IRS for preparing your annual income tax return. Failure to provide this information to the IRS could result in loss of the pre-tax exemption for your dependent day-care expenses.
