## SECTION II DEFINITIONS

The terms listed, if used, will have these meanings.

**2.01.0 ACTIVELY AT WORK** You will be considered to be actively at work with your Employer on a day which is one of your Employer's scheduled work days if you are performing, in the usual way, all of the regular duties of your job on a full time basis on that day. You will be deemed to be actively at work on a day which is not one of your Employer's scheduled work days only if you were actively at work on the preceding scheduled work day.

**2.02.0 ACTIVE FULL-TIME EMPLOYEE** means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. The employee must work the number of hours in the Employer's normal workweek. This must be at least the number of hours indicated in the Schedule of Insurance.

**2.03.2 ANY OCCUPATION** means an occupation for which you are qualified by education, training or experience.

**2.06.0 CURRENT MONTHLY EARNINGS** means the monthly earnings you receive from:

1. the Employer while Disabled; and
2. other employment. However, if the other employment is a job you held in addition to Active Full-time Employment with the Employer, then:
  - a. during the Elimination Period, and while eligible to receive benefits for being Disabled from Your Occupation;
  - b. any earnings from this other employment will be Current Monthly Earnings only to the extent that they exceed the average monthly earnings received from this other job during the 6 month period immediately prior to becoming Disabled.

Current Monthly Earnings will also include the amount of pay for another or modified job position, which may be offered to you by the Employer or other employer, if you refuse the offer. The requirements of such offered position must be within your capabilities as described by your Physician, and consistent with your education, training and experience.

**2.07.2 DISABILITY OR DISABLED** means that:

1. during the Elimination Period you are prevented from performing one or more of the Essential Duties of Your Occupation;
2. for 24 months following the Elimination Period, you are prevented from performing one or more of the Essential Duties of Your Occupation, and as a result your Current Monthly Earnings are less than 80% of your Indexed Pre-disability Earnings;
3. after that, you are prevented from performing one or more of the Essential Duties of Any Occupation.

If at the end of the Elimination Period, you are prevented from performing one or more of the Essential Duties of Your Occupation, but your Current Monthly Earnings are greater than 80% of your Pre-disability Earnings, your Elimination Period will be extended for a total period of 12 months from the original Date of Disability, or until such time as your Current Monthly Earnings are less than 80% of your Pre-disability Earnings, whichever occurs first.

Your Disability must be the result of:

1. accidental bodily injury;
2. sickness;
3. mental illness;
4. Substance Abuse; or
5. pregnancy.

Your failure to pass a physical examination required to maintain a license to perform the duties of your occupation does not alone mean that you are Disabled.

**2.08.0 EMPLOYER** means the Policyholder.

**2.09.0 ESSENTIAL DUTY** means a duty that:

1. is substantial, not incidental; and
2. is fundamental or inherent to the occupation; and
3. can not be reasonably omitted or changed.

To be at work for the number of hours in your regularly scheduled workweek is also an Essential Duty. However, to be at work in excess of 40 hours a week is not an Essential Duty.

**2.10.1 INDEXED PRE-DISABILITY EARNINGS** when used in this policy means your Pre-disability Earnings adjusted annually by adding the lesser of:

1. 10%; or
2. the percentage change in the Consumer Price Index (CPI-W).

The adjustment is made January 1st each year after you have been Disabled for 12 consecutive months, and if you are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, we may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31st, and the prior year's CPI-W as of July 31st, divided by the prior year's CPI-W.

**2.11.0 MENTAL ILLNESS** means any psychological, behavioral or emotional disorder or ailment of the mind, including physical manifestations of psychological, behavioral or emotional disorders, but excluding demonstrable, structural brain damage.

**2.12.0 MONTHLY BENEFIT** means a monthly sum payable to you while you are Disabled, subject to the terms of the Group Insurance Policy.

**2.13.0 MONTHLY INCOME LOSS** is the difference of your Pre-disability Earnings less your Current Monthly Earnings.

**2.14.2 MONTHLY RATE OF BASIC EARNINGS** means your regular monthly rate of pay from the Employer just prior to the date you become Disabled:

1. including contributions you make through a salary reduction agreement with the Employer to:
  - a. an Internal Revenue Code (IRC) Section 401(k), 403(b) or 457 deferred compensation arrangement;
  - b. an executive non qualified deferred compensation arrangement; or
  - c. a salary reduction arrangement under an IRC Section 125 plan;
2. not including:
  - a. overtime pay;
  - b. expense reimbursements; or
  - c. Bonuses; or
  - d. Commissions,

for the same period as above.

**2.15.0 OTHER INCOME BENEFITS** mean the amount of any benefit for loss of income, provided to you or to your family, as a result of the period of Disability for which you are claiming benefits under this plan. This includes any such benefits for which you or your family are eligible or that are paid to you, to your family, or to a third party on your behalf, pursuant to any:

1. temporary disability benefits under a Workers' Compensation Law, the Jones Act, occupational disease law, similar law, or substitutes or exchanges for such benefits;
2. governmental law or program that provides disability or unemployment benefits as a result of your job with the Employer;
3. plan or arrangement of coverage, whether insured or not, as a result of employment by or association with the Employer or as a result of membership in or association with any group, association, union or other organization, including benefits required by state law, under an Employer sponsored short term disability program or under a salary continuation program;
4. individual insurance policy where the premium is wholly or partially paid by the Employer;
5. mandatory "no-fault" automobile insurance plan;
6. disability benefits under:
  - a. the United States Social Security Act, or alternative plan offered by a state or municipal government;
  - b. the Railroad Retirement Act;
  - c. the Canada Pension Plan, the Canada Old Age Security Act, the Quebec Pension Plan, or any provincial pension or disability plan; or
  - d. similar plan or act that you, your spouse and children, are eligible to receive because of your Disability; or
7. disability benefit from the Veteran's Administration, or any other foreign or domestic governmental agency:
  - a. that begins after you become Disabled; or
  - b. if you were receiving the benefit before becoming Disabled, the amount of any increase in the benefit that is attributed to your Disability;

**Other Income Benefits** also mean any payments that are made to you, your family, or to a third party on your behalf, pursuant to any:

1. disability benefit under the Employer's Retirement Plan;
2. permanent disability or impairment benefits under a Workers' Compensation Law, the Jones Act, occupational disease law, similar law, or substitutes or exchanges for such benefits;
3. portion of a settlement or judgment, minus associated costs, of a lawsuit that represents or compensates for your loss of earnings;
4. retirement benefit from a Retirement Plan that is wholly or partially funded by employer contributions, unless:
  - a. you were receiving it prior to becoming Disabled; or
  - b. you immediately transfer the payment to another plan qualified by the United States Internal Revenue Service for the funding of a future retirement.

Other Income Benefits will not include the portion, if any, of such retirement benefit that was funded by your after-tax contributions;

5. retirement benefits under:
  - a. the United States Social Security Act, or alternative plan offered by a state or municipal government;
  - b. the Railroad Retirement Act;
  - c. the Canada Pension Plan, the Canada Old Age Security Act, the Quebec Pension Plan, or any provincial pension or disability plan; or
  - d. similar plan or act

that you, your spouse and children, receive because of your retirement, unless you were receiving them prior to becoming Disabled.

If you are paid Other Income Benefits in a lump sum or settlement, you must provide proof satisfactory to us of:

1. the amount attributed to loss of income; and
2. the period of time covered by the lump sum or settlement. We will pro-rate the lump sum or settlement over this period of time. If you can not or do not provide this information, we will assume the entire sum to be for loss of income, and the time period to be 24 months. We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of your claim. Please see the provision entitled "What happens if benefits are overpaid?"

The amount of any increase in Other Income Benefits will not be included as Other Income Benefits if such increase:

1. takes effect after the date benefits become payable under this plan; and
2. is a general increase which applies to all persons who are entitled to such benefits.

**2.16.0 PHYSICIAN** means a person who is:

1. a doctor of medicine, osteopathy, psychology, or other healing art recognized by us; and
2. licensed to practice in the state or jurisdiction where care is being given; and

2. whose treatment is:

**3.02.0 WHEN WILL YOU BECOME ELIGIBLE?** You will become eligible for coverage on either:  
1. the Plan Effective Date, if you have completed the Eligibility Waiting Period; or if not  
2. the date on which you complete the Eligibility Waiting Period.

**3.03.1 HOW DO YOU ENROLL?** Eligible Persons will be enrolled automatically by the Employer.

**3.06.0 WHEN DOES YOUR COVERAGE START?** If you are not required to contribute toward the plan's cost, your coverage will start on the date you become eligible.

**3.07.0 DEFERRED EFFECTIVE DATE - When will coverage become effective if a disabling condition causes you to be absent from work on the date it is to start?** If you are absent from work due to  
1. accidental bodily injury;  
2. sickness;  
3. pregnancy;  
4. mental illness; or  
5. Substance Abuse,

on the date your insurance or increase in coverage would otherwise have become effective, your effective date will be deferred. Your insurance, or increase in coverage will not become effective until you are Actively at Work one full day.

**3.10.0 DO COVERAGE AMOUNTS CHANGE IF THERE IS A CHANGE IN YOUR CLASS OR YOUR RATE OF PAY?** Your coverage may increase or decrease on the date there is a change in your class or Monthly Rate of Basic Earnings. However, no increase in coverage will be effective unless on that date you:  
1. are an Active Full-time Employee; and  
2. are not absent from work due to being Disabled.

If you were so absent from work, the effective date of such increase will be deferred until you are Actively at Work for one full day. No change in your Rate of Basic Earnings will become effective until the date we receive notice of the change.

**3.11.0 WHAT HAPPENS IF THE EMPLOYER CHANGES THE PLAN?** Any increase or decrease in coverage because of a change in the plan of insurance will become effective on the date of the change, subject to the following limitations on an increase:  
1. the Deferred Effective Date provision; and  
2. Pre-existing Conditions Limitations;  
will apply.

## **SECTION IV TERMINATION**

**4.01.0 WHEN DOES YOUR COVERAGE TERMINATE?** You will cease to be covered on the earliest to occur of the following dates:

1. the date the Group Insurance Policy terminates;
2. the date the policy no longer insures your class;
3. the date premium payment is due but not paid by the Employer;
4. the last day of the period for which you make any required premium contribution, if you fail to make any further required contribution;
5. the date you cease to be an Active Full-time Employee in an eligible class including:
  - a. temporary layoff;
  - b. leave of absence, including but not limited to leave for military service; or
  - c. a general work stoppage (including a strike or lockout);
6. the last day of the month immediately following the date Your Employer terminates Your Employment.

**4.02.0 DOES YOUR COVERAGE CONTINUE IF YOUR EMPLOYMENT TERMINATES BECAUSE YOU ARE DISABLED?** If you are Disabled and you cease to be an Active Full-time Employee, your insurance will be continued:

1. during the Elimination Period while you remain Disabled by the same Disability; and
2. after the Elimination Period for as long as you are entitled to benefits under the Policy.

**4.03.0 MUST PREMIUMS BE PAID DURING A DISABILITY?** No premium will be due for you:

1. after the Elimination Period; and
2. for as long as benefits are payable.

**4.04.0 DO BENEFITS CONTINUE IF THE PLAN TERMINATES?** If you are entitled to benefits while Disabled and the Group Insurance Policy terminates, benefits:

1. will continue as long as you remain Disabled by the same Disability, but
2. will not be provided beyond the date we would have ceased to pay benefits had the insurance remained in force.

Termination of the Group Insurance Policy for any reason will have no effect on Our liability under this provision.

**4.05.1 MAY COVERAGE BE CONTINUED DURING A TEMPORARY LAY-OFF OR LEAVE OF ABSENCE?** If you are temporarily laid off or granted a leave of absence, the Employer may continue your insurance for 1 month following the month coverage would have terminated subject to the following:

1. the leave authorization is in writing, or is documented as a leave for military purposes; and
2. the required premium must be paid; and
3. your benefit level, or the amount of earnings upon which your benefits may be based, will be that in effect on the day before said leave or layoff commenced; and
4. such continuation will cease immediately if one of the following events should occur:
  - a. the leave terminates prior to the agreed upon date; or
  - b. the lay-off becomes permanent; or
  - c. the termination of the Group Insurance Policy; or
  - d. non-payment of premium when due by the Policyholder or you; or
  - e. the Group Insurance Policy no longer insures your class.

**4.06.1 MAY COVERAGE BE CONTINUED DURING A FAMILY OR MEDICAL LEAVE?** If you are granted a leave of absence according to the Family and Medical Leave Act of 1993, the Employer may continue your insurance for up to 12 weeks, or longer if required by state law, following the date your coverage would have terminated, subject to the following:

1. the leave authorization is in writing;
2. the required premium for you is paid; and
3. your benefit level, or the amount of earnings upon which your benefit may be based, will be that in effect on the day before said leave commenced; and
4. such continuation will cease immediately if one of the following events should occur:
  - a. the leave terminates prior to the agreed upon date;
  - b. the termination of the Group Insurance Policy;
  - c. non-payment of premium when due by the Policyholder or you; or
  - d. the Group Insurance Policy no longer insures your class.

## **SECTION V DISABILITY BENEFITS**

**5.01.0 WHEN DO BENEFITS BECOME PAYABLE?** You will be paid a monthly benefit if:

1. you become Disabled while insured under this plan;
  2. you are Disabled throughout the Elimination Period;
  3. you remain Disabled beyond the Elimination Period;
  4. you are, and have been during the Elimination Period, under the Regular Care of a Physician;  
and
  5. you submit Proof of Loss satisfactory to Us.
- Benefits accrue as of the first day after the Elimination Period and are paid monthly.

**5.02.0 WHEN WILL BENEFIT PAYMENTS TERMINATE?** We will terminate benefit payment on the first to occur of:

1. the date you are no longer Disabled as defined; or
2. the date you fail to furnish Proof of Loss, when requested by us; or
3. the date you are no longer under the Regular Care of a Physician, or refuse our request that you submit to an examination by a Physician; or
4. the date you die; or
5. the date your Current Monthly Earnings exceed:
  - a. 80% of your Indexed Pre-disability Earnings if you are receiving benefits for being Disabled from Your Occupation; or
  - b. an amount that is equal to the product of your Indexed Pre-disability Earnings and the Benefit Percentage, if you are receiving benefits for being Disabled from Any Occupation; or
6. the date you refuse to receive recommended treatment that is generally acknowledged by physicians to cure, correct or limit the disabling condition; or
7. the date you refuse to participate in a Rehabilitation program, or refuse to cooperate with or try:
  - a. modifications made to the work site or job process to accommodate your identified medical limitations to enable you to perform the Essential Duties of Your Occupation;
  - b. adaptive equipment or devices designed to accommodate your identified medical limitations to enable you to perform the Essential Duties of Your Occupation;
  - c. modifications made to the work site or job process to accommodate your identified medical limitations to enable you to perform the Essential Duties of Any Occupation, if you were receiving benefits for being disabled from Any Occupation; or
  - d. adaptive equipment or devices designed to accommodate your identified medical limitations to enable you to perform the Essential Duties of Any Occupation, if you were receiving benefits for being disabled from Any Occupation; provided, a qualified Physician agrees that such modifications, adaptive equipment, or Rehabilitation program, accommodate your medical limitations; or
8. the date you receive retirement benefits from any employer's Retirement Plan, unless:
  - a. you were receiving them prior to becoming Disabled; or
  - b. you immediately transfer the payment to another plan qualified by the United States Internal Revenue Service for the funding of a future retirement; or
9. the date determined by the Maximum Duration of Benefits Table shown in the Schedule of Insurance; or
10. the date no further benefits are payable under any provision in this plan that limits benefit duration.

**5.03.1 ARE BENEFITS LIMITED FOR MENTAL ILLNESS OR SUBSTANCE ABUSE?** If you are Disabled because of:

1. Mental Illness that results from any cause;
2. any condition that may result from Mental Illness;
3. alcoholism; or
4. the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance,

then, subject to all other Policy provisions, benefits will be payable:

1. only for so long as you are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
2. when you are not so confined, a total of 24 months for all such Disabilities during your lifetime.

**5.05.0 RECURRENT DISABILITY - WHAT HAPPENS IF YOU RETURN TO WORK BUT BECOME DISABLED AGAIN?** Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, provided the number of days you return to work as an Active Full-time Employee are less than one-half (1/2) the number of days your Elimination Period shown in the Schedule of Insurance.

Any day of a period of Recovery will not count towards the Elimination Period.

After the Elimination Period, when a return to work as an Active Full-time Employee is followed by a recurrent Disability, and such Disability is:

1. due to the same cause; or
2. due to a related cause; and
3. within 6 months of the return to work,

the Period of Disability prior to your return to work and the recurrent Disability will be considered one Period of Disability, provided the Group Insurance Policy remains in force.

If you return to work as an Active Full-time Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. A new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

The term "Period of Disability" as used in this provision means a continuous length of time during which you are Disabled under this plan.

The Elimination Period and Maximum Duration of Benefits Table are in the Schedule of Insurance.

**5.06.1 HOW ARE DISABILITY BENEFITS CALCULATED? Return to Work Incentive** If you remain Disabled after the Elimination Period, but work while you are Disabled, we will determine your Monthly Benefit for a period of up to 12 months beginning when you first start such work as follows:

1. Multiply your Pre-disability Earnings by the Benefit Percentage; and
2. compare the result with the Maximum Benefit shown in the Schedule of Insurance; and
3. from the lesser amount deduct Other Income Benefits.

Current Monthly Earnings will not be used to reduce your Monthly Benefit. However, if the sum of your Monthly Benefit and your Current Monthly Earnings exceeds 100% of your Pre-disability Earnings, we will reduce your Monthly Benefit by the amount of the excess.

If you are Disabled and not receiving benefits under the Return to Work incentive, we will calculate your Monthly Benefit as follows:

1. Multiply your Monthly Income Loss by the Benefit Percentage shown in the Schedule of Insurance; and
2. Compare the result with the Maximum Benefit shown in the Schedule of Insurance, and
3. from the lesser amount, deduct Other Income Benefits.

The result is your Monthly Benefit.

**5.07.0 WHAT HAPPENS IF THE SUM OF THE MONTHLY BENEFIT, CURRENT MONTHLY EARNINGS AND OTHER INCOME BENEFITS EXCEEDS 100% OF PRE-DISABILITY EARNINGS?** We will reduce your Monthly Benefit by the amount of the excess. However, your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

If overpayment occurs, we may recover all or any portion of an overpayment by reducing or withholding future benefit payments.

**5.08.1 MINIMUM MONTHLY BENEFIT** Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

**5.09.0 HOW IS THE BENEFIT CALCULATED FOR A PERIOD OF LESS THAN A MONTH?** If a Monthly Benefit is payable for less than a month, we will pay 1/30 of the Monthly Benefit for each day you were Disabled.

Benefit percentages and maximums are shown in the Schedule of Insurance.

**5.11.0 WHAT IS REHABILITATION?** Rehabilitation is a process of working together to plan, adapt, and put into use, options and services to meet your return to work needs.

A Rehabilitation program may include, when we consider it to be appropriate, any necessary and feasible:

1. vocational testing;
2. vocational training;
3. alternative treatment plans such as:
  - a. support groups;
  - b. physical therapy;
  - c. occupational therapy;
  - d. speech therapy;
4. work-place modification to the extent not otherwise provided;
5. job placement; and
6. transitional work, and
7. similar services.

**5.12.0 EXCLUSIONS - WHAT DISABILITIES ARE NOT COVERED?** The Plan does not cover, and no benefit shall be paid for any Disability:

1. unless you are under the Regular Care of a Physician;
2. that is caused or contributed to by war or act of war (declared or not);
3. caused by your commission of or attempt to commit a felony, or to which a contributing cause was your being engaged in an illegal occupation;
4. caused or contributed to by an intentionally self-inflicted injury;
5. for which workers' compensation benefits are paid, or may be paid, if duly claimed;
6. sustained as a result of doing any work for pay or profit for another employer;

If you are receiving or are eligible to receive benefits for a Disability under a prior disability plan that:

1. was sponsored by the Employer; and
  2. was terminated before the Effective Date of this plan,
- no benefits will be payable for that Disability under this plan.

**5.13.0 PRE-EXISTING CONDITIONS LIMITATIONS - ARE THERE ANY OTHER LIMITATIONS ON COVERAGE?** No benefit will be payable under the Plan for any Disability that is due to, contributed to by, or results from a Pre-Existing Condition, unless such Disability begins:

1. after the last day of 6 consecutive months while insured during which you receive no medical care for the Pre-existing condition; or
2. after the last day of 12 consecutive months during which you have been continuously insured under the Plan.

The amount of benefit increase, which results from a change in benefit options, a change of class or a change in the plan, will not be paid for any Disability that is due to, contributed to by, or results from a Pre-Existing Condition, unless such Disability begins:

Any work as part of a Rehabilitation program must be approved, in writing, by us.
