Independent School District No. 1, Lewiston, Idaho, hereby declares its intent to purchase the following products within this bid request. The specifications listed are correct and complete to the best of our knowledge. Where no specification is made, it is expected that only the best commercial practice is to prevail.

BID PROCESS

1. **You are hereby invited to submit a BID for School Lunch Products for the school year 2018-2019. Awarded bids will be for the period of July 1, 2018 through June 30, 2019.**

2. **Bids should be sealed and marked "School Lunch Products Bid #18-04". Bids will be received at the office of Katharine McPherson, Director of Business Services, Independent School District No. 1, 3317 12th Street, Lewiston, ID 83501. Bids will not be accepted later than Tuesday, June 12, 2018, at 2:00 p.m. Faxed or e-mailed bids will NOT be accepted.**

3. The bid will be awarded, by item, to the lowest responsible bidder, taking into account the quality of the article to be supplied, conformity with the standard specifications described, date or dates of delivery required, how the product conforms to USDA nutrition standards, and past performance. The School District reserves the right to reject any or all bids and to waive formalities. **Bids will be awarded on the basis of the best overall interest to the School District.**

4. Prices are to be firm and net to us, F.O.B. our warehouse dock, at 3317 12th Street, Lewiston, Idaho, and should include all discounts. Freight surcharges are disallowed.

5. Prices quoted should not include excise or other taxes.

6. All products are to be produced and sold in conformity with all State, Federal, and local laws and regulations.

7. To the maximum extent practicable, products bid shall be domestically grown and processed in the United States or its territories. By submitting and signing this proposal/bid, the bidder acknowledges and certifies that his/her company complies with the Buy American provision that the food delivered is of domestic origin or the product is substantially produced in the United States. For these purposes, substantially means over 51 percent of the processed food is from American-produced products. If the bidder is unable to certify compliance with the Buy American provision, the bidder shall state this in his/her response and provide an explanation as to why it cannot certify compliance.

   An exception to the Buy American provision is allowable in the following situations:

   A. The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities; (or)
   B. Cost comparisons reveal that a U.S. product costs significantly more than a foreign product.

   Any product not substantially produced in the United States shall be identified as "non-domestic" with its place of origin specified. The bidder shall provide documentation to support the use of a non-domestic food item.

8. Our best estimate of the amount needed is provided. The School District reserves the right to increase or decrease the quantities of product and/or equipment (if appropriate) in a reasonable amount. If there is a quantity threshold that must be met to support your bid price, please indicate.

9. The bidder is required to review and sign the attached **Certification Regarding Lobbying**, which is to be included with the submitted bid.

10. The school board is expected to review and approve bid results on Monday, June 25, 2018. Notification of bid award will be made to bidders soon thereafter.

11. This proposal is between the Lewiston School District and the supplier and cannot be reassigned.

12. Any questions regarding this bid should be referred to Jodi Hoff (208) 748-3064.

4. All products must be maintained and delivered under the degree of refrigeration required to maximize shelf life.

6. All products must be marked with date of manufacture.
7. All food products shall be the most recent pack available from the manufacturer. When requested, the vendor must provide information on product code numbers to verify the date of pack or manufacture.
8. Products shall not be items that have been "returned" by other customers or have been processed an unusually long time before delivery.

ALTERNATE PRODUCTS AND SAMPLES

1. Any deviation from the specifications or instructions shall be stated on the returned bids. When a different product or packaging is bid, please indicate "ALTERNATE" and state the pack size on the bid.
2. Upon request, nutrient analysis must be provided for the purpose of comparing products.
3. Samples may be requested from firms with the three lowest bids, and the District will pay for such samples. Do not send samples unless instructed to do so.

INSPECTION AND ACCEPTANCE

1. The Lewiston School District assumes the right to reject, within a reasonable time, any unsatisfactory product, i.e. items with hidden defects, items not of acceptable quality, etc.
2. In the case the products are defective or do not conform to specifications, the School District will contact the vendor to notify them that the product is being rejected. The School District will work with the supplying vendor to replace the rejected product in a timely manner. Rejected products shall be removed promptly and replaced at the expense of the vendor.
3. The School District reserves the right to charge back to the supplying vendor costs resulting from having to remove rejected products from our area or excess costs resulting from buying on the open market replacement products for up to the amount of the product rejected under the purchase order agreement.

SUBSTITUTION

1. If a contractor is temporarily out of stock on a particular item, an equal or superior product at an equal or lower price may be delivered, with prior approval of the school district. If a contractor is unable to deliver a product or an approved substitute, the school district shall, in good faith and in its sole discretion, purchase a product of equal or greater quality from another source. The contractor shall pay the difference in the amount paid for the substituted product and the amount of the bid price.

BID TERMINATION

1. The Lewiston School District may terminate the contract by giving the vendor thirty (30) days notice, in writing, with an explanation for cause of termination and its intention to do so. The vendor may, likewise, terminate the contract by providing thirty days written notice.
