FAQs

Why are some providers part of ChoiceDocs and others aren't?

Costs vary between healthcare providers. Prices can depend on the facility where they practice, what kind of tests they order and other factors. Blue Cross of Idaho looks at the costs that come with the providers we contract with. We use that data to find those who offer effective, affordable care and let you know that these providers are ChoiceDocs in our provider directory.

How much will I have to pay to see a ChoiceDocs provider?

Check your plan documents to find out what your copayments are for PCPs and specialists. You'll pay the amount that's listed under Tier 1 copayment for ChoiceDocs PCP and specialists office visits. If you see non-ChoiceDocs providers, you'll pay what's listed under Tier 2 copayment.

Do I have to visit a ChoiceDocs provider when I need care?

If you do not visit a ChoiceDocs provider, you will only pay the regular plan copayment. You are not charged a higher copayment or extra fees. However, you will save money with a lower or no copayment for office visits if you see a ChoiceDocs provider.
