

Printshop Manual

2022-2023

Independent School District No. 1

Lewiston, Idaho

Revised: 2022

INTRODUCTION Since 1990, the Lewiston School District has operated a centralized duplicating facility to meet the printing needs of the District. Annual production in that department averages about 4,660,000 impressions. The print shop operates on a break-even basis and charges to the schools support the costs for this service. The manual will explain the requirements for both “DAILY WORK” and “SPECIAL PROJECTS” print requests and will outline the procedures and costs for each.

DAILY WORK PRINTING DEFINITION

Daily work printing includes materials needed each day to provide classroom information and communication. Tests, instructional work sheets, or other similar student materials qualify for daily printing. Administrative memos and handouts that meet the other requirements are included.

PROCEDURES

Prepare a “**Camera Ready**” document and submit it with a completed printing request form (Page 5). Incomplete or ambiguous forms may be returned unprinted with the original document. Indicate a specific date for the printing to be returned. Please do not put **ASAP** in the place of a date.

Request may be submitted through district mail or, you may submit online printshop@lewistonschools.net. The 48-hour turn around does not apply to large or special projects which require folding, padding, binding or NCR forms.

Pick-up and delivery times for each school will be within 30 minutes of the following schedule:
Times are subject to change.

<u>School</u>	<u>New Time</u>
Central Services	7:40 a.m.
Orchards Elementary	7:55
Sacajawea Middle School	8:10

Printshop	9:35
Lewiston High School	10:00
Tammany High School & JDC	10:50
Camelot Elementary	11:05
Back to the Print Shop	11:30

SPECIAL PROJECT PRINTING

DEFINITION

Special project printing includes district forms, handbooks, curriculum materials, and those printing jobs requiring a large number of impressions, collating, binding, padding & folding or other special handling.

PROCEDURES

Prepare a “**Camera Ready**” document and submit it with a completed printing request form (page 5). Special project printing will be scheduled after daily printing projects have been completed. Timing will depend on the amount of daily work and the priority of the special projects. **Please allow 2 to 3 weeks lead-time for any special projects.** Additional time should be allowed if the project includes over 10,000 impressions.

The following services are available for special project requests subject to additional charges:

Black ink printing on white or colored stock

8 ½ x 11, 8 ½ x 14 or 11 x 17 - bond paper;

24/60# paper (Astro bright), 67# (cover stock), NCR paper (3 or 2 part)
& construction.

Stapling – max of 2 staples on side

Padding - paper can be glued to form books or pads

3-hole punching

Plastic comb binding (GBC binding)

Cutting - large quantities of paper cut to form, half pages, tickets, cards, etc.
large amount of cuts subject to extra charge

Folding – Tri fold & half sheets or booklets can be collated folded & stapled.

FEES AND BILLING PROCEDURES

All Print shop service charges will be charged back to district accounts based on the pricing structure. All charges are calculated based on the number of impressions printed. Print shop requests must include an account code if different than the school supply code. Monthly reports will be submitted to budget administrators. However, a copy of each print request should be retained in the building to verify charges. Individuals who wish to have PTAs or other district related organizations billed for printing should indicate this clearly on the print requests. If time permits, other public agency printing may be solicited with a surcharge plus tax added to the in-district print shop prices. Those organizations must be pre-approved through the district office and provide the name and address for billing.
