## HISTORICAL POINTS ABOUT LEWISTON SCHOOL DISTRICT

Although the records indicate that Lewiston had a school as early as 1863, it was not until December 30, 1880, that the District was granted a charter by the Legislative Assembly of the territory of Idaho. This is one of three such charters now in operation in the State of Idaho that gives certain special privileges to the trustees of the District that other districts do not enjoy. In 1881, the newly established school board hired J. A. Gardiner as principal, and he reported on November 5, that the 113 students enrolled had completed reading and a grade-level system had been established. By 1899 when R. N. Wright was hired as superintendent, there were 11 teachers and the enrollment had more than doubled to 331. Now there are over 4,800 students and a teaching staff of more than 300.

Since 1948, seven new elementary schools and two junior high schools have been constructed. On July 1, 1994, Tammany School District was annexed. Since 1995, Elementary Schools Camelot, Centennial, McGhee, Orchards, Webster, Whitman and Jenifer and Sacajawea Junior High Schools have gone through major reconstruction. The Alternative High School moved to the old Tammany School site and was renamed the Tammany Alternative Center.

In the fall of 2020, the District opened the new Lewiston High School and the A. Neil DeAtley Career Technical School, located in the Orchards area. At the same time, the District implemented a complete grade reconfiguration. The seven elementary schools now serve grades K-5 (previously served grades K-6), Jenifer and Sacajawea transitioned from a junior high school model to a middle school model, serving grades 6-8, and the high school went from a three-year school to a four-year comprehensive high school, serving grades 9-12. The DeAtley Center houses all the District's Career Technical Education (CTE) programs and serves grades 9-12. This Center also serves as Region 2's Career Technical School.

## SCHOOL HOURS

All students in grades K-5 will receive a **minimum** of 810 instructional hours during the school year. **Policy 5000 – Length of School Day:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2Z50428AA>

## SCHOOL ARRIVAL & DEPARTURE

The Lewiston School District is committed to safe schools. In order to maintain a safe environment, we request that your child not arrive more than **ten minutes** before the start of the school day. Students eating breakfast at school should arrive at least twenty minutes before school begins.

Students are expected to leave the school grounds at the end of the school day unless arrangements have been made with a staff member.

## ENROLLMENT

No pupil may be enrolled in kindergarten or first grade whose fifth or sixth birthday, respectively, does not occur on or before the first day of September of the school year in which the child registers to enter school. Any child of the age of five years who has completed a private or public out-of-state kindergarten for the required 450 hours but has not reached the age and date requirement set above shall be allowed to enter the first grade. (Idaho Code 33-201)

### **Policy 5070 – Enrollment and Placement Requirements:**

<http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=CFLMAP5A54C5>

**Idaho Code §18-4511** subsection 2 states *“upon enrollment of a student for the first time in an elementary or secondary school, the school shall notify in writing the person enrolling the student that within thirty (30) days he must provide either a certified copy of the student's birth certificate or other reliable proof of the student's identity and birth date, which proof shall be accompanied by an affidavit explaining the inability to produce a copy of the birth certificate. Other reliable proof of the student's identity and birth date may include a passport, visa, or other governmental documentation of the child's identity.”*

- (a) Upon the failure of a person enrolling a student to comply with this subsection, the school shall immediately notify the department of law enforcement or local law enforcement agency of such failure, and shall notify the person enrolling the student, in writing, that he has ten (10) additional days to comply.
- (b) The school shall immediately report to the department of law enforcement any documentation or affidavit received pursuant to this subsection which appears inaccurate or suspicious in form or content.”

**Idaho Code §39-4801: Immunization required.** *Except as provided in section §39-4802, Idaho Code, any child in Idaho of school age may attend grades preschool and kindergarten through twelve of any public, private, or parochial school operating in this state if otherwise eligible, provided that upon admission the parent or guardian shall provide a statement to the school authorities regarding the child's immunity to certain childhood diseases. This statement shall provide a certificate signed by a physician or his representative that such child has received, or is in the process of receiving, immunizations as specified by the Board of Health and Welfare; or can effectively demonstrate, through verification in a form approved by the department of health and welfare, immunity gained through prior contraction of the disease"*

## HEALTH INFORMATION

**Student Health Requirements:** Lewiston School District adheres to a sick child protocol screening for students. If a student has any symptom(s) that may indicate a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to others, they are to report to the school office. Parents will be notified by the school should the student need to be taken home for any illness.

**Unique Health Problems:** The school needs also to be informed of any allergies, reactions, chronic illnesses, serious physical problems, epilepsy, or chronic diabetes, so that proper measures can be taken if something happens at school. If a child is taking medication, the school needs this information.

The following immunizations are required of school children in Idaho:

1. Two (2) doses of measles, rubella, and mumps vaccine administered to the child after his first birthday.\*
2. Five (5) doses of DTP (diphtheria, tetanus, pertussis), unless fewer doses are medically recommended.
3. Four (4) doses of polio (TOPV) vaccine, unless fewer doses are medically recommended.
4. Three (3) doses of Hepatitis B vaccine administered to children born after November 22, 1991, unless fewer doses are medically recommended.
5. Two (2) Varicella (Chickenpox) History of chickenpox disease documented by a physician meets the requirement.
6. Two (2) Hepatitis A

All the state-required immunizations can be given by the North Central Health Department or your family doctor.

**Exemptions:** Idaho law 33-4802 allows a parent/guardian to claim an exemption from immunization requirements for their child for medical, religious, or other reasons. A medical exemption requires the signature of a licensed physician and certification that the child has a medical condition which prevents him or her from receiving required vaccinations. It is recommended that exemptions for religious or other reasons be documented on the form provided for school use by the Idaho Department of Health and Welfare, Immunization Program. Parents may also claim a school immunization exemption by providing a signed written statement to school officials. Schools should maintain an up-to-date list of pupils with exemptions so they can be excluded quickly if an outbreak occurs.

*\*The American Academy of Pediatrics recommends that booster measles, mumps, rubella vaccine (MMR) be given sometime after five years of age.*

**Communicable Diseases:** In an effort to keep our students healthy, any child having a contagious disease or symptoms of same may be excluded from school. The school administration reserves the right, in some cases, to require a note from the doctor before the child returns to school.

## Policy 5415 – Communicable/Infectious Diseases:

<http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=BRHTU87906A1>

**Head Lice:** The Lewiston School District adheres to a no head lice/no-nit policy 5420. If your child has evidence of either head lice or nits, you must keep him/her home until all signs are gone. Information on head lice is available in each elementary school office. Parent or Guardian must accompany student upon re-admittance to school.

### ATTENDANCE

**Idaho Code §33-202:** Compulsory Attendance states *"The parent or guardian of any child resident in this State who has attained the age of seven (7) years at the time of commencement of school in his district, but not the age of sixteen (16) years, shall cause the child to be instructed in subjects commonly and usually taught in the public schools of the State of Idaho. Unless the child is otherwise comparably instructed, the parent or guardian shall cause the child to attend a public, private, or parochial school during a period in each year equal to that in which the public schools are in session; there to conform to the attendance policies and regulations established by the board of trustees or other governing body operating the school attended."*

#### 1. Definitions

##### a. Excused Absences

Excused absences shall include approved school activities, personal illness, family emergencies, and prearranged absences that are approved by the principal and will be considered on individual merit.

Students are expected to make up all graded assignments when possible or practical within a reasonable time after an excused absence. Failure to do so will be reflected in the grade the student will receive for that grading period. Teachers are expected to assist with make-up assignments or activities given in lieu of assignments. In rare instances when neither of the above is possible nor practical, the principal must be consulted and the grade for work missed may not be counted in the final grade computation.

The parent/guardian is asked to call on the day a student is absent from school. If no call is made, a written excuse should be sent with the absent student on the day of return to school. The excuse should describe the reason for the absence indicating a personal illness or family emergency. When a student checks out from school for reasons, other than illness, a note from the student's parent/guardian requesting the absence will be presented to the office one day before the absence.

b. **Unexcused Absences**

Absences for other reasons shall be considered as unexcused. The student and parent/guardian assume the responsibility for making up the work missed. Work missed during an unexcused absence may not be made up for credit, but should be made up for the student's own benefit. Unexcused absences do not include suspensions.

c. **Truancy**

Willful absence of the student without the knowledge of the school or parents/guardians is considered truancy. It is unexcused and may lead to suspension or expulsion from school.

d. **Habitual Truant defined in Idaho Code 33-206 - A habitual truant is:**

- Any public school pupil who, in the judgment of the board of trustees, repeatedly has violated the attendance regulations established by the board; or
- Any child whose parents or guardians, or any of them, have failed or refused to cause such child to be instructed as provided in section 33-202, Idaho Code.

2. **Elementary Attendance**

- a. Students in grades K-5 are expected to attend school on a regular basis. Regular attendance is a critical factor in the establishment of a good scholastic record. Work missed through absence from school is difficult to make up. There is no substitute for the actual participation in the daily classroom discussion and work.
- b. A letter will be sent to the parent/guardian of a student who has accumulated in excess of six (6) absences per semester.
- c. A designated staff member, including teachers, counselors, social workers, School Resource Officers, School Community Resource Workers, or administrators, will personally speak to the parent/guardian regarding the attendance policy, explain the ramifications of being absent or tardy, stress the importance of attendance and discuss appropriate intervention strategies when a student has accumulated ten (10) absences per semester.
- d. The administrator may request a conference with the parent/guardian of a student who has accumulated twelve (12) absences per semester. Other designated personnel may attend in order to resolve concerns regarding attendance.
- e. A *Truancy Petition* may be filed with the Nez Perce County Prosecuting Attorney's Office at the discretion of Student Services Office based upon recommendation of the school's administration.
- f. At the beginning of each school year, the administrator will send an awareness letter to parents/guardians of students who missed fifteen (15) or more days the previous school year.

## **LEWISTON SCHOOL DISTRICT TRANSPORTATION**

According to **Idaho Code §33-1501** students living in excess of one and one-half (1.5) miles from the school they attend are eligible for bus transportation. Regulations governing students riding school buses are as follows:

1. Students being transported are under the authority of the bus driver and aides. Drivers are instructed to load only those students listed as eligible for their route.
2. Students will walk on the left side of the road facing oncoming traffic when coming to meet the bus.
3. The bus driver may assign seats to the students.
4. The bus driver will instruct students how and when to cross the road.
5. No skateboards or scooters allowed on buses.
6. Principals may issue permits to allow other students to ride the bus **when it is due to a family emergency**. These permits are issued to students in advance and are limited to the duration of such emergency.
7. Improper conduct on a bus may lead to the loss of the riding privilege. Principals may suspend students from riding. Parents will be informed of loss of riding privileges and suspensions. Drivers may remove unruly students from buses only when their behavior places the health and welfare of the remaining students in jeopardy.
8. To assist in student safety, the Lewiston School District uses cameras to monitor student's behavior and activity on the bus ride.
9. Parents may request in writing to the principal not to release a student at his/her stop until a responsible adult is visible to meet them. Otherwise the student will be released at his/her designated stop without further supervision. Should an adult not be present to meet a child when it has been requested, the student will be returned to his/her school.

**Bus Conduct Regulation – Policy 5040:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2Y9041F65>

## **DAYCARE TRANSPORTATION**

Idaho Code, State Board of Education regulations, State Department of Education policy, and Lewiston School District policy will apply to all children bused to or from daycare facilities in virtually the same manner as if they were at their place of residence.

1. Requests for childcare facility transportation must be made annually.
2. Transportation of students to and from daycare facilities must be provided on a consistent five-day per week schedule. It cannot be provided on an intermittent basis.
3. Provision of bus transportation to and from daycare facilities cannot result in the addition or modification of existing bus routes.
4. In the absence of the parents, daycare center personnel assume responsibility for assuring that requirements are being complied with regarding school bus routing, bus loading and unloading, stops, child supervision, and other provisions of the district's transportation regulations.

5. In case of emergencies, when students must be transported from school, the student will be bused to the daycare facility or childcare home.

### **COURTESY BUSING**

Lewiston School District, in an effort to provide the best possible transportation service for children, may offer a courtesy busing program. The program will provide limited bus service to children residing within the 1.5 mile limit. This program provides a choice for students to either continue walking to school or walk to an established, existing bus stop and ride a bus to school. This service will be based upon space available on the buses. Courtesy busing will be an a.m. and p.m. service. Requests for courtesy busing must be made **annually**. Approval of courtesy busing may not exceed bus ridership capacity.

**Appendix C – Courtesy Busing Policy 5050. Please click on link below to read the policy.**

<http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2YA041FB9>

### **COMMUNICATION WITH THE SCHOOL**

The school must be notified when a change is made in the address or phone number of the child's place of residence. **It is important that such information is current at all times to ensure a parent/guardian can be reached in the event of an emergency.** It is also critical, schools have alternative phone numbers for emergencies such as sickness or injuries.

- Please notify the school if different arrangements have been made for transporting your child to and from school or if someone different will be picking them up as early as possible.
- Please notify the school if your child will require additional time away from school.
- Please notify the school of any other pertinent information you feel the school should know.

**The school must have the correct telephone numbers for the home and the places of employment of the parent(s)/guardian(s). Please provide any other contact information for those who may be contacted if your child is ill and you cannot be reached. It is the responsibility of the parent(s)/guardian(s) to report changes in phone numbers or names of persons to be contacted.**

### **USE OF SCHOOL TELEPHONE**

The schools are served by business phones, for this reason, children will be permitted to use the school phone only for emergencies. After school activity plans should be made at home before the child comes to school for the day.

Parents/guardians should feel free to call the school anytime and messages will be delivered to the child or teacher. **Please do not ask teachers or children to come to the phone during the time that school is in session except in an emergency.**

### **ELECTRONIC COMMUNICATION AND COMPUTING DEVICES (ECCD)**

The Lewiston School District recognizes that technologies and networks are important tools for student learning and conducting District business. The District provides these tools to staff as a means to plan and deliver more effective, personalized instruction and to facilitate immediate and efficient communication with parents, staff, and students.

While technology serves many important functions in school activities, the District also recognizes that the implementation of technology must be conducted responsibly within an environment that conscientiously strives to ensure technology is used only for legal purposes and the advancement of the District Mission. Moreover, the safety and privacy of District students and staff and their information shall be protected and maintained.

To these ends, users will abide by all District Rules and Regulations 4063, as well as local, state and federal laws. The District must cooperate fully with local, state or federal officials in any investigation concerning or relating to violations of the law.

As with all personal electronic devices, the school will not be responsible for lost, stolen or damaged items. Therefore parents are discouraged from sending a personal electronic devices to school. If your child brings a personal device to school, it must be turned off when he/she arrives at school. Please check with your child's teacher or principal regarding specific building procedures.

### **CO-CURRICULAR ACTIVITIES**

Choir, Orchestra and Band may be offered to all 5<sup>th</sup> grade students before or during school. Please contact your school for more information regarding enrollment into these programs.

### **NUTRITION SERVICES**

The Lewiston School District offers daily hot lunch and breakfast at each school. Meals are on a cash basis or may be purchased in advance. A free or reduced-priced meal is available to students whose families meet eligibility requirements. Applications are available at each school office or the Central Services office.

<https://www.schoolnutritionandfitness.com/index.php?sid=1006141830060418>

### **Energy Drinks**

The Lewiston School District has enacted Wellness policies in an effort to create an environment where students are exposed to foods and curriculum that espouses a healthy lifestyle. Exposure to high fat, sodium, and/or sugar added foods in the school dietary plan is discouraged by policy. Many energy drinks contain ingredients that fall outside our established guidelines. Parents are therefore discouraged from sending these products to school with their child.

## REPORTING STUDENT PROGRESS

Scheduled conferences give both you and your child's teacher an opportunity for exploration of progress, behavior, and reasons for your child's successes and areas of improvement. Make certain your child understands that you and the teacher are working together in her/his interest.

Report cards are provided at the end of each semester and progress reports will be provided at least once per semester. Conferences are scheduled for students K-12 in October and March. Conferences may be held when the parent/guardian or teacher feels it is advisable to discuss and share information about the child or the program. If unable to attend scheduled conferences, please arrange with the school to schedule an alternative time. Special conferences involving other staff members will be arranged through the building principal. Cooperation between parent/guardian and teacher in arranging and holding these conferences is important.

**Policy 5160 – Grading Procedures:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=CF7RTK6F7E43>

## RETENTION

It is the belief of the Lewiston School District that students should progress each year from grade to grade. We are dedicated to providing our students with the best possible educational opportunities. However, the Lewiston School District reserves the right to classify and place all students under its jurisdiction. Students may be required to repeat a grade whenever the teachers, principal, and parent(s)/guardian(s) consider that this serves the best interest of the child.

**Policy 5310 – Promotion-Retention:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2YR0424EE>

## CLASSROOM VISITS

Classroom visits by parents/guardians are encouraged. Due to liability considerations, non-school age children are not permitted on classroom visits. **Please schedule your visitation with the classroom teacher or building administrator.** In order to keep our students safe, you are required to check in at the school office and receive a visitor pass before entering a classroom. We appreciate your cooperation.

Children visiting the Lewiston area may not attend or visit schools without prior approval by the building principal.

## DRESS CODE

Lewiston School District Rule & Regulation §5020.5 states: *“Dress and appearance must not present health or safety problems or pose potential disruption of the educational process as adjudged by school personnel. When a student’s attire is found to be in violation of this policy, the student may be required to modify his/her attire in such a manner so that it no longer violates this policy.”*

The dress code will be in effect during all school related activities--both on and off campus. This includes riding the bus, field trips, athletic events, music events, etc.

- Hats may not be worn in the school building. The principal may make exceptions for “Hat Days” and for medical or religious reasons.
- Students shall dress in a manner that does not disrupt the educational process. Exposed undergarments and midriffs are not acceptable. Buttocks, upper thigh, chest, and midriff must be covered when walking, sitting, and bending or reaching. Clothing that refers to gangs, drugs, alcohol/tobacco, sex, violence, or that contains innuendoes referring to obscene behavior, shall not be permitted. A field trip is an extension of the school setting and part of the District curriculum, therefore, all school rules apply. All field trip participants must follow District rules and regulations.

Parents/guardians are encouraged to be an active participant in their child’s education. Should you choose to volunteer in your child’s classroom, please contact your child’s classroom teacher in advance. We ask that all adults assist us by modeling and encouraging positive behavior. **Due to liability considerations, non-school age children are not be permitted to accompany volunteers on field trips or in classrooms.**

## STUDENT BIRTHDAYS

If you would like to recognize your child's birthday by bringing treats, please make arrangements with the teacher.

For the health consideration, all treats must be pre-packaged. Scheduling treats will be left to the discretion of the teacher. **Birthday announcements for private parties will not be formally distributed at school.** In order to protect each child's privacy, class lists of any form (child's names and/or parent/guardian phone numbers and/or addresses) will not be available from the classroom teacher or the office. Floral displays and balloons may be delivered at the end of the school day.

## MONEY, VALUABLES AND PERSONAL ITEMS

Schools are not responsible for money, lost articles of clothing, musical instruments, bicycles, or other personal items.

- **Marking of Personal Items:** It is helpful to mark items such as coats and hats with the child's name.
- **Lost Articles:** A lost and found department is maintained in each school. Children are encouraged to check there for lost articles or to bring in articles they have found. Before considering an article permanently lost, please check with the school.

## HOMEWORK

Teachers and parents/guardians share the responsibility for motivating and providing opportunities for homework. The student has the ultimate responsibility for the successful completion of homework. The ultimate goal of homework is to enhance learning. To accomplish this goal, assignments typically address one or more of these purposes:

- Develop regular study habits and teach responsibility.
- Foster communication between the school and home.
- Provide a different learning environment.
- Provide information about lesson effectiveness, student knowledge, and student effort.
- Provide independent practice and/or reinforce skills.

- Extend classroom learning.
- Improve academic achievement.
- Prepare the student for future lessons.

In the event that a parent/guardian is concerned about homework, the concern should be resolved by meeting with the teacher. If the matter is not resolved, the following conference steps should be followed: (1) parent-teacher-building principal, and then (2) parent-teacher-building principal-Director of Student Services.

**Policy 5220 – Homework Regulations:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2YP042456>

### **PARENT-TEACHER ASSOCIATION**

The elementary schools of the Lewiston School District have been fortunate in having the support of an active and helpful Parent-Teacher Association (PTA). Membership in this organization is inexpensive, but the rewards are great. To be involved in the PTA, please reach out to your school.

PTA operates under five principles:

1. To promote the welfare of children,
2. To raise the standards of home life,
3. To secure adequate laws for the care and protection of children and youth,
4. To bring into closer relation the home and the school, and
5. To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, and social education.

### **SUBSTANCE ABUSE**

**Policy 5470 – Student Substance Abuse:** <http://go.boarddocs.com/id/lisd1/Board.nsf/goto?open&id=ANR2Z60428F7>

The District recognizes that student substance abuse is detrimental to educational, emotional, physical, and social development. Furthermore, such abuse results in behavior that adversely interferes with one's performance at school, adversely affect one's health, and may endanger the safety and well-being of others. The District and community resources are committed to actively confronting this problem and shall take positive, encouraging, and supportive action through education, training, counseling, peer support, family involvement, and appropriate referrals to community support groups.

Because of the pervasive nature of substance abuse, it is essential that it be viewed as a total community problem, one in which the school, family, local law enforcement, and treatment agencies share in the responsibility for prevention and intervention.

Prevention is the first step in deterring harmful involvement with substances. The District will implement an integrated curriculum approach to prevention directed toward providing students with appropriate information and developmental experiences which will enable them to make responsible decisions regarding substance usage.

While student substance abuse will not be tolerated, the school will assist the harmfully involved student in seeking supportive and rehabilitative services within and outside the school. If treatment becomes necessary outside the school setting, every effort will be made to ensure a successful continuation in/or re-entry into the school program.

The administration is charged with implementation of this policy through procedures that provide for prevention, identification of the substance abusing student, facilitating intervention with provisions for appropriate support services, and continuation of staff training.

### **STUDENT INJURIES**

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process our children go through.

Parents/guardians need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

### **STUDENT INSURANCE**

**The Lewiston School District does not provide medical insurance to pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The District carries insurance only for cases of legally proven negligence.**

The Lewiston School District provides student medical insurance to families for their individual purchase. Brochures outlining the coverage and premiums are handed out at the beginning of the school year, and are available at the district office.

If your child has school insurance and an accident occurs which requires a doctor's care or hospitalization, you should contact the school principal for a claim form and verification of the accident. Students must notify school staff members on the day of the injury.

**REMINDER:** Please keep home phone, work phone, and emergency phone numbers current in the event of an emergency.

### **CHILD ABUSE AND NEGLECT**

If a parent/guardian believes that their child has been a victim of sexual harassment, as defined in Board Policy No. 5020.4.J, by a staff member or a student (on school grounds during the school day or off school grounds at a school activity/event) the building principal will assist in making sure that the necessary actions are carried out as covered by the law.
